About The System, & Customer Satisfaction: "Thanks to [the] Water Treatment System. Our family is very glad to have [the System's] water. It's been only a month but [the] Water Treatment System really shows the effects in many ways in our home. We really feel drinking water and coffee taste a lot better than ever before. No spots on glasses, dishes and silverware. It looks and feels very shiny and clean. No hard water deposits around the sinks and shower or bathtub. When we didn't have the Water Treatment System, after the shower we felt our body skin was rough, but today with our [System's] water used with [the free] Pure Soap, our skin feels smooth, soft and so clean. For the laundry we use a lot less soap or detergent than ever before and yet it's cleaner than before. Again thanks to [the] Water Treatment System."-Mr. & Mrs. Shiromai, Mililani

About The System, Company's Service, Warranty & Customer Satisfaction: "Considering capabilities, warranty, service, and [the free cleaning] supplies provided, the price of the system is unbeatable."-Mr. & Mrs. Smoot, Mililani
