The Kuwabara's were one of our *original customers*.

In July 1984, they purchased our original Whole-House Water Softener/Conditioner & Drinking/Cooking Water Purification System's
In 2004 they demolished their original Mililani home, and built a brand new custom home.
They gave away their original system, and for the new home

Up-Graded by installing the **Ali'i 5-TECH® Pure Water Quality System™**

Time/Labor Savings: "Installing the system has proven to be a time saver by eliminating the hard water spots and bathtub rings without the usual scrubbing with special cleansers."

Laundry: "The system conditions the water in such a way that it leaves our clothes clean and soft without the use of a fabric softener."

Dry Skin: "Not only does the soft water leave your skin feeling soft and clean, but it has also helped our youngest daughter's dry skin problems to the point that she no longer requires her special skin soaps."

Saving Money: "The [free] soap not only cleans well but it rinses out completely, thereby eliminating the need for an extra rinse cycle [saving on water & electric bill]."

ULTRA Soap Super 5000 Complete Home Cleaning System

"The [free] soap not only cleans well but it rinses out completely, thereby eliminating the need for an extra rinse cycle [saving water & electric bill]."
