## **Sparkling and Spotless Dishes**

Hardness minerals react with foods, especially protein based deposits from eggs and meat, making them more difficult to remove in the dishwasher. With **AAA BestWater** you no longer have the hardness minerals that cause water spots on glasses, dishes, utensils, pots & pans. This is one of the many reasons why restaurants and hotels choose to use Water Softener Systems.

**“Dishes & glassware dry clear & spotless without hand drying.”**

-Mr. & Mrs. Aona, Kapolei (Makakilo)

**“No drying glasses, dishes or silverware, due to no water spots.”**

-Mr. & Mrs. Nakamura, Waipahu, (Village Park)

**Wouldn't be nice if all of the dishes in your home  
could be sparkling clean?**

**"No drying of dishes, glasses etc... dries without leaving water spots."**

-David & JoAnne Oride, Ewa Beach (Sun Terra)

**"Dishes are a lot more cleaner, glasses spotless & use a lot less dish washing liquid."**

-Tim & Eleanor Bunton, Ewa Beach (Prescott)

**"The dishes don't have to be wiped anymore, just let them sit in the dishwasher to dry."**

-Albert & Eva Hurgo, Ewa Beach (Ocean Point—Mariners)

**"No drying glasses, dishes or silverware, due to no water spots."**

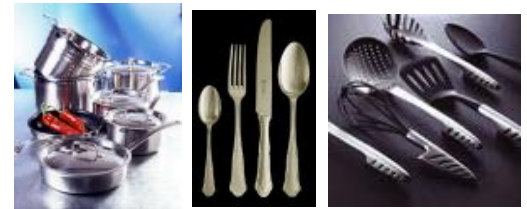

-Mr. & Mrs. Nakamura, Waipahu, (Village Park)

**"It's amazing how all our pots & pans, dishes, silverware, glasses, mirrors, etc. get clean and dry without spotting or streaking. We can spend less time on cleaning up because [the System's] water leaves no residue or mineral deposits..."**

-Alton & Debra Motobu, Aiea (Kumu Lani)

**"Got rid of "Hard water" Problems — especially water spots on the pots/pans and glasses!"**

-Tomas & Carol Kagimoto, Waipahu, (Royal Kunia I)

**"No more dish & glass spots to dry off & dishes are squeaky clean."**

-James & Kathy Brown, Kapolei (Kapolei Knolls)

**"Also noticed we no longer have water spots on our glasses. We used to buy new drinking glasses at least twice a year because of the buildup on them."**

-Mr. Harada, Ewa Beach

**"Glasses washed in water wash clear. Crystal clear when dry. No need to dry glasses."**

-Mr. Takemoto, Honolulu, 96822 (Manoa)

**"Doesn't leave water mineral build ups in Coffee pots. Really good system. Thanks Mike."**

**"Dishes & glassware dry clear & spotless without hand drying."**

-Mr. & Mrs. Aona, Kapolei (Makakilo)

**"No more crust on my Plexiglas Drain Board."**

-Mrs. Matsuo, Pearl City (Uplands)

**"Saves time cleaning windows. No wiping necessary. Dries spotless."**

-Mr. & Mrs. Kaneshiro, Waipahu

**"No Coffee and Tea stains in my mugs. Glasses and dishes dry spotless."**

-Mr. & Mrs. Ige, Wahiawa

**"Being a working mother I leave the dishes to air dry. The dishes & glasses are shinier & not as much water spots. My glasses looks like crystal."**

-Mr. & Mrs. Kaneshiro, Waipahu (Crestview)

**"When I wash dishes by hand I don't have to use a towel to wipe the water spots ..."**

-Mr. & Mrs. Hyland, Kapolei (Makakilo)

**"We own a set of stainless steel cookware. We used to use a cleanser to wash the bottom of the pot that we use each morning. The bottom had a discoloration after each use. By using the system the soft water takes the discoloration off just by ordinary cleansing action in the dishwasher. Before [the System], we had to use the cleaner on the pot before setting it in the dishwasher."**

-Mr. & Mrs. Miyake, Mililani
